## Frequently Asked Questions

### 1. How many Institutional Links call run in a year?

Newton Institutional Links is an annual call which opens every April every year, please visit our website <https://www.britishcouncil.id/program/pendidikan/newton-fund> to get the most updated information about the call and other opportunities.

### 2. What is the eligibility of principal investigator?

Please see guidelines in point 5 for individual and institutional and individual eligibility. For individual :

- Both Principal Applicants must be Leading Researchers<sup>1</sup> or Established Researchers<sup>3</sup>
- Principal Applicants must be permanent employees of one of the following (this means that Emeritus and Honorary Professors may not apply as lead):
- A not-for-profit higher education institution with the capacity to undertake high-quality research, unless specified otherwise in Appendix 1
- A UK higher education institution (all UK higher education institutions are eligible)
- A not-for-profit research organisation with the capacity to undertake high-quality research<sup>2</sup>.
- A Catapult Centre<sup>3</sup> (in the case of the UK Principal Applicant)

### 3. Do I need a partner from UK institution to apply to Newton Fund?

Yes, Newton Fund require 1 Principal Investigator from UK and 1 Principal Investigator from Indonesia to submit 1 joint application

### 4. Would a Memorandum of Understanding (MoU) between 2 institutions (UK-Indonesia) be needed?

Having MoU is desirable but not mandatory; it adds value to your proposal. There is possibility that Ristekdikti will ask successful applicant to prepare this.

### 5. If i already received grant from institution outside UK for my research, am i still eligible to get additional grant from Newton Fund Institutional Links?

Yes, you are still eligible. we encourage multilateral partnership although in Newton Fund case, we require 2 main Principal Applicants : UK and Indonesia

### 6. Can applicant submit multiple applications for funding with different partners?

No. Principal Applicants may only submit one Institutional Links application per Institutional Links call. However, Individual departments within a single institution can make multiple applications per call provided that the proposed activities are clearly different
