

MEMORANDUM OF UNDERSTANDING

between

BANDOENGSE TECHNISCHE HOGESCHOOL FONDS

and

INSTITUT TEKNOLOGI BANDUNG

Bandoengse Technische Hogeschool Fonds (BTHF) and Institut Teknologi Bandung (ITB) agree mutually to support education and research at ITB through funds modality scheme that can be used (among others) for:

1. Offer a yearly prize (Ganesha prize) to a scientifically outstanding ITB student;
2. Improve the educational possibilities at ITB, such as scholarships in the Netherlands;
3. Produce and/or acquire educational-related materials and/or instruments;
4. Provide subsidy to projects chosen by ITB;
5. Provide subsidy to persons actively involved in education at ITB.

All grants of BTHF will have an incidental and complementary character and can be made available in combination with other financial and/or immaterial aid from other sources.

The agreement is intended for a five year period and will become affective when it is signed by both parties. The above mentioned agreement is subject to official approval by the authorized governing body of the two institutions.
